

United States Department of State

Washington, D.C. 20520

SEP 30 2008

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services and defense articles, including technical data to the Republic of Singapore to support increased assistance on integration, continued operation, repair, testing, training and maintenance and fulfill final delivery of Paveway II/III Weapon Systems on Singapore's A-4, F-5, F-15, and F-16 aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Matthew A. Reynolds
Acting Assistant Secretary
Legislative Affairs
